KARPAGAM

ACADEMY OF HIGHER EDUCATION

(Deemed to be University)

(Established Under Section 3 of UGC Act, 1956)

(Accredited with A+ Grade by NAAC in the Second Cycle)

(ISO 9001:2015 & ISO 14001:2015 Certified)

Anusandhan National Research Foundation

Anusandhan National Research Foundation

Sponsored

3rd INTERNATIONAL CONFERENCE ON DRUG DISCOVERY AND DEVELOPMENT : 4th DIMENSION ERA (IC3D4D - 2026)

THEME

BEYOND THE BENCH : TRANSLATING DRUG RESEARCH INTO THERAPEUTIC PRODUCTS

8–10 | July | 2026

Jointly Organized by

Centre for Active Pharmaceutical Ingredients &

Faculty of Pharmacy

About the Institution

Karpagam Academy of Higher Education (KAHE), a premier Deemed-to-be University, is committed to holistic learning and research excellence. The institution encompasses five faculties: Arts, Science, Commerce & Management; Engineering; Architecture, Design & Planning; Pharmacy; and Performing Arts. It also hosts 16 specialized research centers that drive innovation, interdisciplinary collaboration, and pioneering research.

KAHE has consistently been recognized for its academic and research achievements, securing a position in the 101-150 rank band in the NIRF University Rankings. On the global front, it is ranked in the THE Interdisciplinary Science Rankings 2026 (401-500) and the Impact Rankings (Affordable and clean energy)(401-600). With a strong research profile of over 8,500 publications, 87,000 citations, an institutional h-index of 103, and 153 granted patents, KAHE continues to expand knowledge, strengthen international collaborations, and affirm its position as a leading institution in higher education.

About the Conference

In the 4th dimension era of drug discovery and development, innovation extends far beyond the laboratory bench. Volume 3 of this international conference focuses on the critical journey of translating cutting-edge research into safe, effective, and market-ready therapeutic products. Emphasizing integration of artificial intelligence, advanced analytics, digital platforms, and translational sciences, this volume brings together academia, industry, and regulatory stakeholders to accelerate the transformation of scientific discoveries into real-world healthcare solutions.

The conference on drug discovery and development serves as a crucial platform for students, faculties, researchers, and industry professionals to converge and share the latest advancements, challenges, and breakthroughs in the field.

About the Centre for Active Pharmaceutical Ingredients

The Centre for Active Pharmaceutical Ingredients (CAPI) is committed to excellence in pharmaceutical development. The primary focus lies on Process development and the synthesis of off-patent Active Pharmaceutical Ingredients (APIs) and Key Starting Materials (KSMs), including kilo-scale production. The Centre is also actively involved in drug discovery, particularly in the design and synthesis of small molecules targeting tuberculosis, antimicrobial resistance, viral infections, and cancer. CAPI maintains collaborations with various academic institutions and industries both in India and abroad.

About the Faculty of Pharmacy

The Faculty of Pharmacy (FOP) was established in the year 2015 with B.Pharm degree course approved by Pharmacy Council of India (PCI), New Delhi, and has since been deeply rooted in classical pharmacy teaching and research. In 2019, Pharm D and M.Pharm with Pharmaceutical analysis specialization was incepted and in the year 2022, M.Pharm program was initiated with specialization of Pharmaceutics and Pharmaceutical Chemistry. Additionally, the Faculty of Pharmacy offers both full-time and part-time Ph.D. programs.

The discipline covers a broad range of teaching and research areas from pharmacokinetics, drug-receptor theory, molecular and cellular mechanisms of drug actions, disease-specific systems of pharmacy, drug modality development, pharmacogenetics, personalized medicine, drug development, clinical drug trial, adverse drug reactions and toxicology. FOP has a strong team of academic and research staff committed to excel in the pharmacy education and research missions. Faculty of Pharmacy has collaborations with leading universities in Countries including Malaysia, Vietnam, and Philippines.

Call for Abstract

Delegates are cordially invited for presentations in the field of pharmaceutical sciences. IC3D4D - 2026 invites the authors to present their research findings.

- E-mail: 3d4dconference@kahedu.edu.in
- The title of the abstract should be in bold with font size of 14.
- Authors & co-authors details with affiliation should be provided (font size 10).
- The entire abstract should be prepared with Times New Roman font style and font size 12.
- The abstract must not exceed the word limit of 250 words.
- The abstract should be structured (Background, Objective, Methods, Results and Conclusions).
- E-mail id of author and presenter should be mentioned along with contact number.
- Last date for Abstract submission : 30/06/2026.

Address for Communication

The Convener

International Conference on "Drug Discovery and Development : 4th Dimension Era" IC3D4D - 2026
Karpagam Academy of Higher Education
Coimbatore-641021, Tamil Nadu
Email : 3d4dconference@kahedu.edu.in
Phone : +91 8489057776
Website Link : https://kahedu.edu.in/ic3d4d-2026/

For Registration

Link : https://admissions.kifees.com/events/kahe/ice3d4d

REGISTRATION FEE DETAILS

DELEGATES	EARLY BIRD (Till 30.06.2026)	SPOT
Students / Research Scholar	₹ 2000	₹ 2250
Faculties/ Industrialists	₹ 2250	₹ 2500
Foreign Delegates	$ 100	$ 120

Conference Speakers

Dr. SVEN MARCEL STEFAN
Medical University of Lublin,
Poland.

Dr. KATJA STEFAN
University of Lübeck,
University Medical Center Schleswig-Holstein,
Germany.

Dr. VIGNESHWARAN NAMASIVAYAM
Venture-backed Biotech Companies
Lubeck Institute of Experimental Dermatology (LIED),
University Medical Center Schleswig-Holstein (UKSH),
University of Lübeck (UzL), Germany.

Dr. NOOHU ABDULLA KHAN
King Khalid University,
Abha, Saudi Arabia.

Dr. PALANISAMY AMIRTHALINGAM
University of Tabuk,
Tabuk, Kingdom of Saudi Arabia.

Dr. Narmada B C
Vantage Research,
Chennai, India.

Dr. U.P. SENTHILKUMAR
3xper Innoventure Limited,
Chennai, India.

Dr. SANKARGANESH JEYARAJ
Center for Molecular Medicine & Therapeutics,
PSG IMSR and Hospitals,
Coimbatore, India.

Dr. N. THAMIZH SELVAM
National Ayurveda Research Institute for Panchkarma
Ministry of Ayush, Govt. of India,
Thrissur, India.

CHIEF PATRON

Dr. R. VASANTHAKUMAR
President
Karpagam Academy of Higher Education

PATRONS

Shri. K. MURUGAIAH
Chief Executive Officer,
Karpagam Educational Institutions.

Prof. S. RAVI
Vice Chancellor,
KAHE.

Prof. B. V. PRADEEP
Registrar,
KAHE.

Prof. V. PARTHASARATHY
Dean – R&D and Industry Relations
KAHE

Prof. D. KUMUDHA
Dean, Faculty of Pharmacy,
KAHE.

CONVENER

Prof. P. SENTHIL KUMAR
Head,
Centre for Active Pharmaceutical Ingredients,
KAHE.

Prof. B. RAJKAPOOR
Head,
Department of Pharmacology,
Faculty of Pharmacy,
KAHE.

ORGANIZING SECRETARY

Prof. T. DEVADOSS
Head,
Department of Pharmaceutical Chemistry,
Faculty of Pharmacy,
KAHE.

Prof. R. HARIPRASAD
Head,
Department of Pharmaceutical Analysis,
Faculty of Pharmacy,
KAHE.

Dr. V V SATHIBABU UDDANDRAO
Assistant Professor,
Centre for Active Pharmaceutical Ingredients,
KAHE.
